

Dear parents,

We are entering an unprecedented time that has brought many challenges Matt and I never thought we would have to tackle.

As you are aware, we have been in daily contact with governing bodies and have kept you all updated at every opportunity.

Following developments this evening, Matt and I have decided to postpone all lessons in-line with UK school closures. As a result, effective immediately lessons will be postponed. We pride ourselves on putting the safety and wellbeing of our swimmers as a priority, as well as that of our staff and now also the wider public.

Please rest assured that nobody will lose any lessons. We will carry lessons over as we do when we have school holidays. If you are new swimmer and don't understand this, please get in touch and we will be able to explain it to you.

We have worked and still are working hard to support our staff through this challenging time. We will not be losing any members off staff, and in fact have 3 great new team members that were due to start with us this week.

As always you can still get in touch with us via email, Facebook and on the phone. All links can be found on the website – link below.

We will still be working hard to ensure we update you all on proceedings, this includes when we will be reopening. Please stay updated by following our social media accounts and checking the website.

As a business, we are confident that we will bounce back from this and your support is enormously appreciated.

We wish you all the best of health and would like to thank you once again for your patience during this time.

Best wishes,

Andy, Matt and the team.
